COMB4CP-ARCB

COMB4CP-STAGE

FAQ

Is the COMBINE4 compatible with any IEM transmitter?

Yes, the Combine4 is compatible with all major brands that use RF over BNC.

Can I combine two COMBINE4s together?

Use a 2x1 SPLIT to connect two combiners to a single antenna.

Can I power other devices with my combiner?

Yes, use the Anderson power pole connector on the rear of the device to connect an RF Venue DC Octopus cable to power up to 8 devices.
